Large Projects Fund Awards

Project Nbr	District	Project Manager	Project Name	Neighborhood Organization	NPI	Project	Pledged Match	NMF Amount
B09001	East	Owens	Polish Home Expansion & Remodeling	Polish Home Association	No	PHY	\$155,000 *	\$80,000
Description: This project supports the Polish Home Association's expansion and remodeling project by finishing construction of the expanded Polish Home's interior spaces that would benefit grassroots community groups and neighborhood residents with accessible and available gratis meeting and event space. The PHA will provide a stellar group of local volunteer construction trades persons as match for the planned renovation and the NMF will pay for supplies and materials. PHA will also develop an outreach plan to advertise use of the renovated space and share the opportunity to interface with Polish heritage in Seattle.								
B09002	Southeast	Owens	The Artists Collaborative of Southeast Seattle	Artists Collaborative of Southeast Seattle	Yes	PSP	\$72,804 *	\$71,737
Description: The goal of our project is intervention, engagement and the transformation of children and youth, their families and ultimately the community of Southeast Seattle by offering out of school and after school programs in dance and instrumental music that will help dilute issues of racial and social inequity, build bridges across cultural communities, narrow the academic achievement gap, offer alternatives to violence and gang activities and encourage new partnerships between families, schools, community organizations and businesses.								
B09010	Ballard	Ruth	West Woodland Playfield Renovation	Committee for Renovation of the West Woodland Field	No	PHY	\$192,385 *	\$63,750
Description: The West Woodland Playground project will enhance neighborhood open space by installing a green sustainable track around a restored grass field and add a ga-ga ball court and a rain garden to the playground. The improvements will be used by the school population during the day and open and accessible to the public during non-school hours.								
B09016	Delridge	Ames	CSN Broadcast Media	Global to Local	No	PSP	\$142,925 *	\$67,210
Description: CSN is a youth-driven approach to creating/producing programming that highlights international, national, and local news and relates it to the West Seattle community's unique diversity. The project connects youth with representatives of neighborhood ethnic and civic groups to feature in-depth coverage of local issues, history and projects.								
B09020	Southeast	Ruth	Renovation and Upgrading of SE Seattle Senior Center	Southeast Seattle Senior Center	Yes	PHY	\$75,000 *	\$75,000
Description: This project will remodel the 2nd floor of the senior center in order to allow more natural light and make a larger room for community programs. Increase the attractiveness and socialization by changing the layout of the rooms. A health room will also be added to offer some free health services to the community.								
B09024	Delridge	Lopez	The ALL ACCESS Afterschool Arts Program	Youngstown Cultural Arts Center	Yes	NON	\$85,600 *	\$77,200
Description: The mission of the ALL ACCESS partnership is to empower local youth through sustained arts-based learning experiences by collaborating to provide the space, people, and resources necessary for youth to flourish in community, creativity and self-expression.								

**2009 Large Projects Fund
Neighborhood Matching Fund**

Project Nbr	District	Project Manager	Project Name	Neighborhood Organization	NPI	Project	Pledged Match	NMF Amount
B09026	Downtown	Ames	Homeless Place of Remembrance	Homeless Place of Remembrance Committee	No	PHY	\$152,360 *	\$54,849
Description: The Homeless Place of Remembrance will be a public place of beauty designed to remember and honor homeless people who have died in King County.								
B09027	Downtown	Ames	Improving International Children's Park	Friends of International Children's Park	Yes	PHY	\$81,775 *	\$79,700
Description: Improving International Children's Park is a collaborative effort to make physical improvements to the park, helping to increase usage and dispel suspicious activity. This phase would build upon the previous Small and Simple grants, allowing FICP to purchase play equipment, commission a public arts installation and continue ongoing community building activities.								
B09028	Delridge	Ruth	Wayfinding for a Walkable Delridge	Delridge Neighborhood Trails	Yes	PHY	\$113,000 *	\$54,849
Description: Dells and Ridges will create 10 kiosks and 40 wayfinding signs to guide pedestrians to parks, business areas, and community resources. Last year, the SW District created a wayfinding system. Delridge will expand that network to benefit their neighborhoods and make Seattle's first regional wayfinding system.								
B09034	Lake Union	Ames	The Northlake Wharf	Center for Wooden Boats	Yes	PLN	\$98,000 *	\$50,000
Description: Northlake Wharf will convert an underused piece of waterfront into an active public site providing a community center, a maritime heritage facility, recreational activity, a cultural attraction and a visitor destination. The project preserves the shoreline as "working waterfront" and provides connections to the neighborhood's green spaces, parks and trails.								
B09037	Southeast	Ruth	Seward Park Playground Improvement Foundation	Seward Park Playground Improvement Foundation	No	PHY	\$100,000 *	\$100,000
Description: This proposal is for final construction of a new nature-themed play area located near the entrance of Seward Park and adjacent to the Seward Park Audubon and Environmental Learning Center. The final design, previously funded through DON, is nearly complete. This project has broad community support from the diverse populations in the neighborhood.								
B09039	Southeast	Owens	Community Action Research and Empowerment (CARE)	Vietnamese Friendship Association	No	ORG	\$74,225 *	\$95,100
Description: The Vietnamese Friendship Association's Community Action Research & Empowerment (CARE) Project is a two-year community organizing and participatory research project. CARE will foster youth leadership, civic engagement/community building, and develop a model that other immigrant communities can use to address social and economic inequities.								
B09040	Southeast	Takekawa	Capacity Building: Columbia City Gallery	South East Effective Development (SEED) & CCRC	Yes	NON	\$46,246 *	\$28,230
Description: The Columbia City Gallery will market and expand this SE Seattle neighborhood gallery to institute more community arts events free to the public and to provide increased opportunities for diverse artists, especially from minority and immigrant backgrounds, to gain exposure to a broader

B09044	Greater Duwamish	Takekawa	Kimball: Creating a Global Learning Community	Kimball Elementary PTSA	No	PSP	\$44,480 *	\$60,000
Description: Kimball Elementary seeks to create a Global Learning Community by: Fostering an atmosphere of inclusion and support for all of our students and their families, particularly those parents not currently involved at school, Building leadership skill for our bilingual and families of color so that the PTSA reflects the diversity of the school community, Providing programs and classes for parents, particularly our bilingual families and Forging strong bridges with the surrounding								
B09054	Central	Owens	Multimedia Resource and Training Institute Enabling Communities	East African Art and Culture Association	No	NON	\$53,730 *	\$45,000
Description: This project will equip a select number of youth with multimedia knowledge and skills, and enable them to promote various forms of cross-cultural art to help neighborhood communities to understand each other's cultures, to meet, discuss common issues, aspirations and to form a neighborhood solidarity that builds harmonious, safe and prosperous community.								
B09055	Northwest	Ames	Car-free Club Entry and Community Plaza the he North Seattle Boys & Girls Club	North Seattle Boys and Girls Club	Yes	PHY	\$100,120 *	\$80,000
Description: This project proposes revision of the current street entrance to the North Seattle Boys and Girls Club. Our aim is to create a gathering place for neighbors of all ages and backgrounds to connect, and a process in which they can participate directly in design planning and implementation.								
B09058	Greater Duwamish	Lopez	Concord Elementary Outdoor Renovation	Concord Elementary PTSA	No	PHY	\$96,450 *	\$88,200
Description: The purpose of this project is to convert an underutilized outdoor area and create within it a multi-purpose, multi-functioning space that provides enhanced outdoor recreation and education for use by the Concord Elementary School and its immediate neighborhood.								
B09062	Lake Union	Ames	Waterway 18 Enhancement	Friends of Waterway #18	Yes	PHY	\$116,789 *	\$90,000
Description: Friends of Waterway 18 is creating a new community gathering place on Lake Union by restoring the shoreline, planting native habitat, and installing natural seating areas for the rapidly growing Lake Union neighborhoods and for residents throughout Seattle.								
B09064	Southwest	Takekawa	Junction Plaza Park Development	West Seattle Junction Association	Yes	PHY	\$98,761 *	\$98,761
Description: Friends of Junction Plaza Park will develop a currently vacant lot into a vibrant community plaza and green space in the heart of the West Seattle Junction community. This public park will become a green respite from the busy Junction business district and home to community celebrations and artistic performances.
